DLRC System Features

- **The Deployable Learning Resource Center (DLRC) provides multimedia courseware to deployed Marines.**

- **Marines interface with the DLRC in the same manner as garrison/internet based MarineNet.**

Deployable Learning Resource Center

DLRC System Features (cont.)

DLRC Server

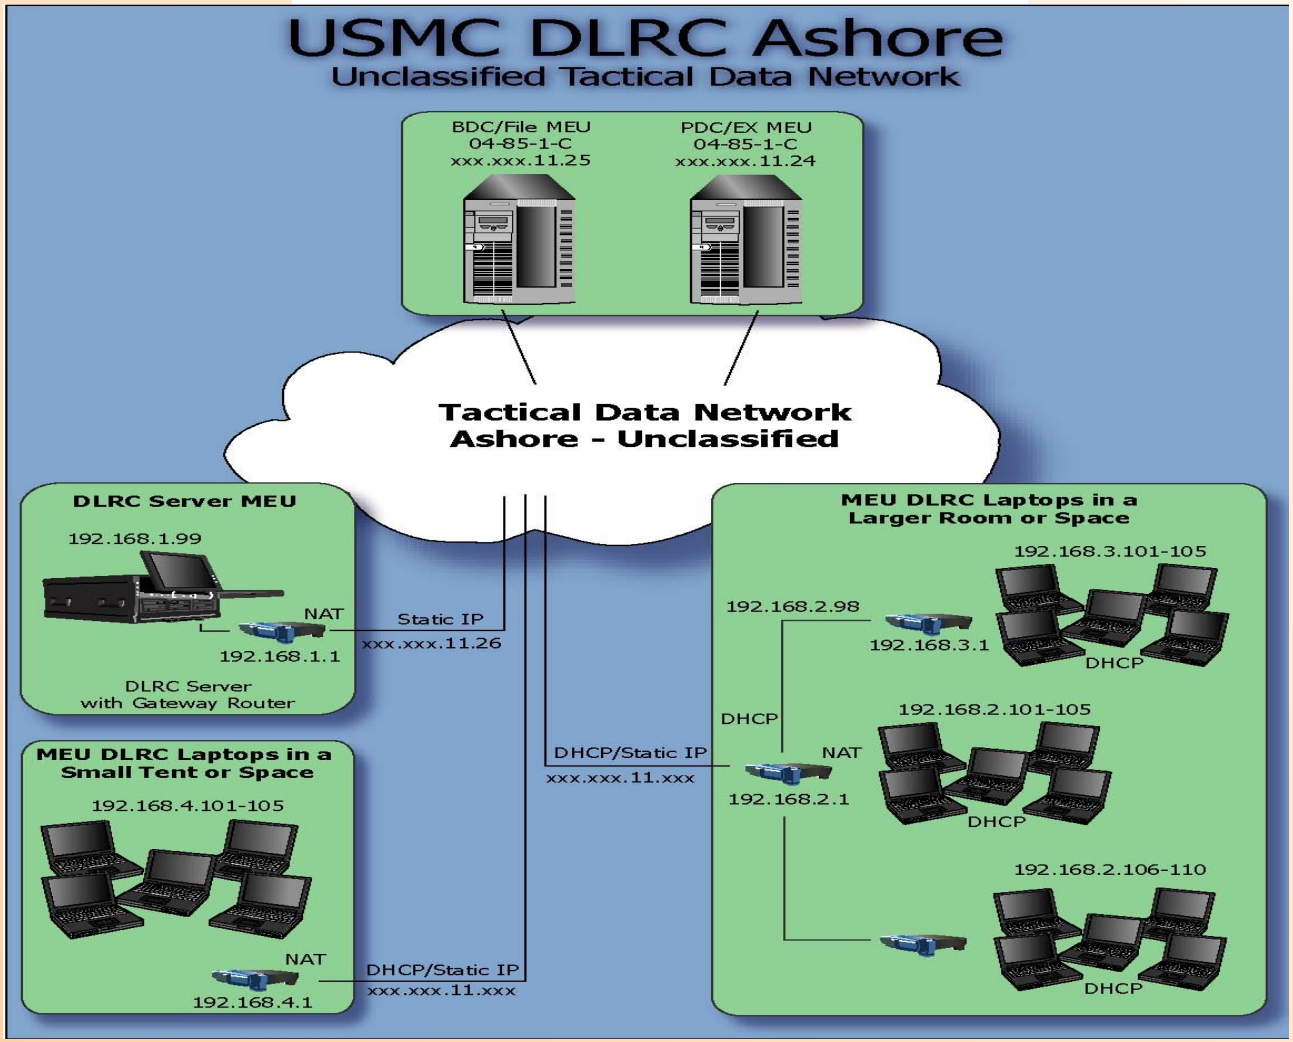
DLRC Laptops

- **The DLRC Server hosts a full Learning Management System (LMS) w/ SQL Server database and server-based courseware**
- DLRC Laptops access courseware via the suite's own internal network or across a host network.

DLRC Specifications

- **A “standard” DLRC suite consists of 1 DLRC server and 20 laptops, housed in 5 semi-ruggedized transit cases.**
- **Designed to meet “2 Person Lift”**
  - Server Case
    - 12”x20”x31”
    - ~ 100 lbs.
  - Laptop Case
    - 14”x20”x25”
    - ~ 75 lbs.
- **DLRC requests can be scaled to meet training requirements.**

DLRC LAN Configuration



Fielded DLRC Locations

- **DLRC Fielding Locations:**
  - **MARFORRES NO, LA**
  - **Camp Lejeune, NC**
  - **Camp Pendleton, CA**
  - **MCB Okinawa, Japan**

- DLRC suites are managed by the local Installation Distance Learning Coordinator (IDLC)

MARFORRES NO, LA	Maj Ken Hoag
Camp Lejeune, NC	Mr. Joe Ramirez
Camp Pendleton, CA	Mr. Ted Wilson
MCB Okinawa, Japan	Mr. Tim Morello

Requesting a DLRC

How to Request a DLRC

- Log into the DLRC Management site. If you are a new user, click the "Guest" account on the login page. Fill the required information about yourself and click the "Submit" button.
- If you created a guest account, you will automatically be taken to the "Request a DLRC" page within the DLRC Management site.

  If you logged in with an existing account, you will be taken to the Main Menu page where you need to select the "Request a DLRC" link. This can also be accessed from the drop-down list in the top-right corner of the site.
- Verify your name and contact information on the requesting page.
- Select the "Asset Location" for the base nearest to your receiving location.
- Provide the number of DLRC Server cases and Laptop cases that will be required. There are 5 laptops in each laptop case.
- Provide all dates for the reservation, these dates should be known beforehand.
- Click the "Request" button.
- The request has been logged and a DLRC Coordinator will determine the resources are available to meet your requirements for the given dates.
- Logoff from the site.

Why CCE Optional Seminar Program

- NARROWS THE GAP BETWEEN RESIDENT & NON-RESIDENT
- PROVIDES A STRUCTURED LEARNING ENVIRONMENT
  - Instructor- Led
  - Scheduled Course of Instruction
- ENRICHES THE STUDENTS' LEARNING EXPERIENCE
  - Current/ Relevant/ UP-TO-DATE Course Materials
  - PEER-PEER Discussions/ Interaction/Sharing
  - Guest Lectures

* EXAMINATIONS – IMMEDIATE FEEDBACK / REMEDIATION

IGS Program Challenges

- **Meeting (OPMEP) Standards:**
  - Providing higher learning taxonomy
  - Providing a variety of student assessments
  - Providing stable and predictable learning environment
- **Reducing 5-year completion**
  - Retention of Course Learning Objectives in protracted completion cycle
- **Reducing course content revision cycle**
  - Currency of course content

SoS

An emerging initiative that ….

Is a transformation of Officer PME from an independent guided studies courseware delivered program to a seminar centric program that increases student access to and interaction with adjunct faculty and other students.

It significantly changes

- **Course development process**
- **Seminar construct and activities**
- **Delivery of courseware**
- **Access to faculty and SSS**
- **Faculty development**
- **Assessment strategy and review process**

Reasons for Change

- **Seminar most effective learning construct**
  - **Creates and sustains active learning environment**
  - **Focuses on demonstrable learning outcomes**
  - **Emphasizes critical and creative thinking**
  - **Provides opportunity to communicate w/feedback**
  - **Uses combination of Obj/Subj lesson assessments**
